

**EPIC STORYTELLING @ LUTZ CENTER**  
**EMPATHIC PLAYWRITING INTENSIVE COURSE**

Do you have a story to tell? Join award winning theatre company, Silk Road Rising, to learn how to tell stories through writing and producing plays at EPIC STORYTELLING with After School Matters at the Lutz Center.

With a professional playwright or actor as your instructor, you will create original short plays and monologues while working as a writing and acting ensemble. Together, you will then develop and produce a festival of your own short plays as the summer's culminating event. You may invite your family and friends to attend the performance!
